

# Bringing the Mayhem to you!

**ONLY £25 PER SESSION\***

**Music Mayhem** is a music group that has been running weekly themed sessions for over 10 years.

As well as running regular commissioned sessions for Children's centres in the local area we have delivered sessions in conjunction with children's centres to outreach local nurseries, schools and pre-schools.

These sessions have been a great success, with us also receiving a Special Mention in their Ofsted report and have inspired us to put together a Music Mayhem workshop proposal suitable for settings such as yours.

Our 30 minute sessions are based around an interactive theme, story or adventure. We use songs, dancing and instrument play to encourage development of expression, motor skills, physical awareness, speech, language and social interaction.

Each of these key elements in EYFS.

We have a wide selection of our own themes for sessions, but would love to involve any current topic you are currently working on.

Examples of our sessions include:

- Rainforest Adventure
- Farmyard Fun
- Get Active
- Pirate Adventure and many more!

We can also offer one off ad-hoc sessions and have a fun packed party package, ideal for end of term, Easter or Christmas parties!

All our session leaders are CRB checked and fully insured.

Sessions can be used Weekly, Monthly or Termly.
